

Making an Evergreen Centerpiece

Monday, November 23
6:30 to 8:00 p.m.

OR

Sunday, December 6
1:00 to 2:30 p.m.

At Instructor's Ann Arbor Home (Directions provided when registering)

In this hands-on session, you'll make a festive centerpiece using your choice of freshly-cut evergreens, a basket, floral foam, ribbons, picks, and a candle. The arrangements last through the holiday season, and make perfect gifts and home decorations. \$25 includes materials. **Please bring gardening gloves and hand-held pruners or sturdy scissors.**

Instructor Monica Milla is a master gardener who enjoys using nature's bounty in crafts to celebrate the winter season. She learned to make these arrangements, or Gestecke, from her mother in the German tradition.
